Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

I am enclosing you a copy of Umpire advances to date. About the Umpire situation I guess we will get it straightened out ~~at~~ the Meeting. Did you people decide where and when it will be?

About the game this Sunday in New York, I would appreciate having you send me at least a half of a dozen tickets.

I have been sending results to my local Papers of games the best I can. I have called the New York office and your office to get this information. Hope I have had it correct. The results and standings should really been sent out from the League office, as you know. I hope you will eventually get this situation straightened out.

Yours very truly,
